U.S. TURKEY PRODUCTS

Nature's SunGrown Foods is able to offer a full service value added turkey program shipped directly from processors throughout the United States to our Customers throughout the Pacific.

- ✓ **Butterball/Carolina Turkey** – Whole turkeys in a variety of sizes as well as fully cooked and raw breasts, smoked sausages, and deli meats
- ✓ **Diestel Organic and Natural Turkeys** – California grown Turkeys. Great tasting turkey with size ranges as small as 2.7 – 4.5 kg. Both raw and fully cooked turkeys and turkey parts are available.

Let Nature's SunGrown Foods put together an American Meat & Poultry program for you!
