

# Açaí

## AÇAÍ BENEFITS

Açaí berry is a 'super fruit' highly demanded food due to its health & wellness properties

1. Contains high levels of antioxidants (10 times more antioxidants than red grapes and 10 to 30 times the anthocyanins of red wine) that fight free radicals
2. Protects cells against oxidative damage. It is rich in omega 3 and omega 6 fatty acids that regulate LDL cholesterol levels
3. Contains calcium, iron, and vitamin A and a synergy of monounsaturated (healthy) fats, dietary fiber and phytochemicals to help promote cardiovascular and digestive
4. Contains an almost perfect essential amino acid complex in conjunction with valuable trace minerals, vital to proper muscle contraction and regeneration
