You might not realize it right now, but this is the drink you've been waiting for. Crisp, light, flavorful, and desperately refreshing.

# #1

Hard Seltzer in Indonesia

Crafted from premium ingredients and natural fruit, JUHO Hard Seltzer makes beer, wine, spirits, and cocktails so last year. And there's no reason or excuse needed to enjoy a JUHO. It's so desperately refreshing it's perfect for every occasion. Even more perfect when there isn't any occasion. Hence our simple credo: "Celebrate Nothing".
